1 A Competition Like No Other!

=====

It wasn't that long ago that I was a complete newbie. I'd bounce around from sales page to sales page just trying to make sense of it all.

And no matter how hard I tried, I just couldn't get to the bottom of how to make money online.

Sure, the sales pages all made it sound so easy, but when it came down to it I found it anything but easy.

I remember being on holiday in Vienna in the Spring

At this point my teaching sites were doing okay, but I hadn't yet uncovered the strategies I talk about in [Auction Profits Unleashed](#). In truth they were struggling, and were only just turning a profit.

At this point, I was really into the whole Bum Marketing craze, and I would spend hours each day just writing and submitting articles.

I was so addicted to the whole process that even while on holiday in Vienna I just couldn't resist checking my Clickbank accounts.

I was on holiday but I just couldn't help myself. And do you know what I found? Absolutely nothing!

If I made just ONE sale it was a shock. I mean, I'd nearly fall of my chair!

<http://www.Lee-McIntyre.com/blog>

The Lee McIntyre Newsletter

But it got worse too. Even though I was on holiday, while everyone else was relaxing after a long day, by reading a book, or watching the football, I was actually WRITING article after article.

And this is what I was like on holiday! Can you image what I was like when I got back home?

But even though I put all of this effort into trying to make money, I just couldn't do it. I just couldn't cut it.

It would take me about 30 hours of painfully boring work just to make one lousy sale. But I kept going. I kept fighting.

When I look back now I almost have to hide behind my hands when I remember how much of a newbie I was.

I get embarrassed thinking how little I knew and how BAD I was at everything online. I'm serious, I was hopeless!

Now, I'm not telling you this so you can laugh at me. I'm not telling you this to try and make you feel better about yourself.

I'm sharing this with you because it's important that you know one thing.

No matter how hard it seems right now, there IS light at the end of the tunnel. You CAN do this if you keep on trying. No matter how bleak it might seem.

Four months ago, I was running a few teaching sites that were barely breaking even, and doing some niche marketing with articles.

And I'm sure that you're aware that things now are much better. If I can turn this

<http://Www.Lee-McIntyre.com/blog>

situation around, then so can you too.

You'll remember from last week's newsletter that the [**Standing Start Challenge**](#) is a competition available to all [**Standing Start Profits**](#) members.

The S.S.P members have just finished the first leg of the competition, a copywriting challenge with a difference. You can find out more at the link below.

== >> [**http://www.StandingStartChallenge.com**](http://www.StandingStartChallenge.com)

So what does this have to do with my pathetic attempts to make money in Vienna?

Well, back then I NEVER would have entered a contest like this. I would have felt unworthy, and would simply have lacked the confidence to get up there and do it.

Never. Not in a million years.

When I think about how this competition would have made me feel when I was a beginner, I get a swell of pride thinking about the people who ARE competing in this event.

I'm proud of them all because they are doing something that I would have found difficult to do.

And if they keep up this level of action, then in four months time they will be light years ahead of where they are now.

I take my hat off (if I had one one!) to each contestant and thank them for taking part. It's not easy to put yourself out there when you're first starting out online.

But that's exactly what they're doing and I'm proud of them. And judging by their

entries so far, and the energy they have brought to the contest, I'm convinced that each contestant will go far.

I just hope that they remember me when they are the next big gurus! Maybe one of them will give me a job on their support desk?!

If you haven't done so already please stop by the Standing Start Challenge blog at the link below and give the contestants your support.

2. My Best Book Yet – You Decide!

=====

Do you remember the reaction from beginners and gurus alike when I released **[Auction Profits Unleashed](#)**? It really was electric!

And if I'm being honest, the whole furore took me back a little bit!

One minute I was clicking save on my very first Internet Marketing report, and the next I had dozens of marketers all rushing to sing my praises.

At the time it all felt like a dream as the PayPal receipts crashed into my account.

I knew the report was good, but I still didn't expect to sell any! I was genuinely shocked when I sold the first copy.....so you can imagine how I felt when I sold the 600th copy in less than a month.

Well, this week I've felt a little bit apprehensive.

Why? Well, for the past month I've been writing a NEW book.

And I think it's even better than **[Auction Profits Unleashed](#)**!

I've already sent it out for review and the feedback has been staggering. I'm so proud of what I've written and I can't wait to show it to you.

But first I need your help.

You see, I've had TWO designs made for my site, and I need your help in deciding

<http://www.Lee-McIntyre.com/blog>

The Lee McIntyre Newsletter

which one to use for the launch.

I've spent days looking at them but I just can't decide! Which is why I'm asking for your help (if you can spare a minute).

I need you, along with the other Lee-McIntyre.com subscribers, to help me choose which one to use.

I'm going to show you the different designs, and then you're going to vote for the design which you prefer.

I will then use the design that the Lee-McIntyre.com subscribers choose. Who said that Internet Marketers never listen to their subscribers?!

But before you vote it's important that you understand a crucial point. This is a BIG decision so it's important that you have a good think before you hit the button.

Projects have died before due to bad graphics, so please have a good think before you cast your vote. All the pressure is on your shoulders. This is YOUR choice.

Okay, are you ready? Here goes.....

Click the links below to view the different designs.

Design B – <http://www.AuctionSecretProfits.com/designb>

So, what did you think?

When you're ready to vote hit the relevant link below. To vote for Design A click the link next to Design A and vice versa.

Thanks for you help, it really is appreciated!

Auction Secret Profits is HOT and I'm sure you'll agree that it's my best book yet.

I'll be launching on Clickbank in a few weeks time, but as always the Lee-McIntyre.com subscribers will get a HUGE pre launch discount.

The timelines are still moving but expect to hear more on Monday 20th August. I promise you will like what you see!

3. A Turning Point Approaches

=====

Last week I talked about how I was fast approaching a turning point.

Put simply, Lee-McIntyre has grown so rapidly over the past few weeks that it's just not possible anymore to combine my internet business with being a full time teacher.

It's a choice of one or the other, but I certainly can't do both.

Lots of my readers left some really nice comments at my blog below.

== >> <http://www.lee-mcintyre.com/newsletter/feedbackthanks>

I'm so appreciative to everyone who took time out of their busy schedule to drop me a line regarding this.

I received some awesome advice and I thank each person who posted to my blog, and who emailed me personally.

Since I discussed this last week, the situation has become more clear in my head. I'm now SURE that running Lee-McIntyre.com, and helping to teach others how to make money online, is where my future lies.

In fact, I don't think I've ever been more sure of anything in my life!

I'm now firmly committed to moving out of the classroom, and moving into my not very comfy bedroom office chair, where I hope to help marketers achieve their

online goals.

Of course, I can't leave the classroom completely, and I'm hoping to arrange some volunteering work one day a week.

But marketing will soon become my full time focus. I'm excited by this development and also extremely scared too!

What do you think? Good decision or bad decision?

Do you think I'm doing the right thing or am I just completely crazy?!

Drop by my blog NOW and let me know what you think. I'd love to hear your thoughts on this, so drop by now and share your thoughts.
